VISION

Our vision is that all students become successful world-class citizens, lifelong learners, and cultural ambassadors. They appreciate diversity and maintain cultural awareness of themselves and others.

MISSION

The Celadine Academy was founded on the simple convictions that a first-rate education is the birthright of every individual, that all children can learn, and that every child should be challenged to reach his or her full potential.

MOTTO

Together for meaningful learning.

PHILOSOPHY

CA offers education of highest standards to students from Play Group to Grade VIII. These philosophy guides all aspects of our school life:

- a. Providing a safe, secure and stimulating and caring educational environment.
- b. Delivering a balanced and effective curriculum to promote academic excellence.
- c. Fostering self-respect, self-discipline and independence for success in this rapidly changing world.
- d. Providing opportunities to every member of the school community.

Principal

CA is a school that celebrates the individual child and the values, beliefs, gifts, talents, and diversity of experiences each one contributes to our school community. We believe our community is our richest resource and we actively draw upon our diversity, both within our curriculum and in how we express who we are as a community.

At CA we believe a child's experiences in a global school setting provide great opportunities for learning about the diversity and richness that exist in our world. One of the best part of this school is the opportunity it provides for us all, as a community of adults and children, to learn from each other's experiences and perspectives. In doing so, we build our understanding of what it means to be human and develop our own cross-cultural understandings and cultural competencies.

At CA, the child is central. Children are the reason we are here, and they are the focus of our thinking in all decision making and curriculum design.

I hope you and your children will enjoy the experience of being a part of our vibrant community as we continue our journey to a 'Bright Future'.

Yours sincerely
